Sample Marker Rules and Regulations

(ask for the full Rules and Regulations)

All monuments and markers in the Park must be of a design and quality approved by the Park. All monuments and markers in the human sections must have some bronze attached. (See minimum bronze alloy standards in Evergreen Memorial Par Rules & Regulations.)

No memorial or grave marker will be allowed on any burial space until the space has been fully paid for and the Deed for Interment Rights has been delivered to the purchaser.

No lot owner shall erect or place or cause to be erected or placed, on any lot in the Park, any memorial in respect of which the Park Superintendent disapproves.

In the upright marker areas, the area of the face of the memorial shall not exceed twenty percent (20%) of the area of the lot. The length of the base of the memorial shall not exceed seventy-five percent (75%) of the width of the lot. The width of the base of the memorial shall not exceed twenty percent (20%) of the length of the lot. Any stone marker or memorial shall have a thickness of at least four-inches. The height shall not exceed three-feet.

In flat marker sections (Garden of The Cross, Garden of The Pioneers and Garden of The Pines), grave markers shall be of one piece of approved bronze and/or granite and shall not exceed the size of the grave space allowing for a four-inch border of grass on the grave.

The bottom surface of all monuments or markers shall be level and true.
